## MANY ARTICLES MADE FROM THE SUNFLOWER

Seeds Used as a Food and for the Manufacture of Oil.

## RUSSIANS EAT THEM RAW

Chinese Weave a Silk-Like Fabric From Fibers in the Stalk.

Few persons realize that the sunflower is to become a valuable crop in a short time. But such is the case. In 1909 this roadside-growing plant netted Missouri farmers more than \$4,000. The products that can be made from this familiar and neglected plant are many and various. It is used as a fuel, as a food for stock, as a cloth producing plant. The seeds are used as a food by the Russians, the peanuts eating them as we eat peanuts. A very high-grade oil is also made from them. This resembles linseed oil, for which it is often substituted. In art, sunflower oil is often used for paints.

The flower of the plant is full of the substances which make honey and is valuable for bee-pasture. The stalk and leaves make excellent pasture for goats. They eat the entire plant and thrive on it. When cut up as fodder the sunflower makes excellent feed for cattle.

### Used as Fuel Also.

In sections where wood is scarce this humble plant is valued highly as a fuel. An acre of sunflowers will make several cords of serviceable kindling, not taking the value of the seeds into consideration. It is estimated that an acre of sunflower will produce fifty bushels of seed. A bushel of seed will produce a gallon of oil, which is worth about 40 cents a gallon. This means that one acre of sunflower seeds is worth \$20. Of this sum the farmer would get about \$12 and the manufacturer the remainder.

As sunflowers can be grown in corners of land that are of little use for anything else and with practically no cultivation it will pay to raise more of them. The oil can be used like cotton seed oil in the manufacture of oleomargarine and several other cooking preparations.

The sunflower was originally a native of tropical America, but is now found growing over a great extent of the cultivable portions of the world. The early Indian inhabitants of America pounded the seed in rude mortars and made a bread from the flour thus produced.

In Russia the seed is eaten just as we eat peanuts. The poorer classes eat them raw and spit out the seed hulls. It is a very common sight in the Russian settlements in North and South Dakota to see Russians eating raw sunflower seeds.

### Highly Valued in China.

In China the sunflower is used for many purposes. The fiber of the stalk, which has great strength, is woven into fabrics. Some of these fabrics, when properly colored and prepared, have a "feel" and texture like silk.

In tropical America the plant sometimes attains a height of 20 feet and has a flower more than a foot in diameter. In Missouri it sometimes attains an equal height and has flowers in proportion. It grows everywhere in the state, on vacant city lots, in rubbish heaps, in the rich lands of the northern counties and in the foot-hills of the Ozarks.

The sunflower counties in Missouri, that is, the ones which marketed the most seeds in 1909, are: Butler, St. Charles, St. Louis, Jackson, St. Genevieve, Greene, Buchanan, Jasper and Mississippi. These counties are close to large cities, which afford a good market for the seeds.

### ORDER OF PUBLICATION

State of Missouri, County of Boone, ss. In The Circuit Court, in Vacation before June Term, 1911.

Ernest C. Hawkins, Everett H. Hawkins, J. T. Armstrong, O. W. Boutwell, Frank T. Martin, and Thomas J. Hatton . . . Plaintiffs,  
against  
The unknown heirs, devisees, consorts

and allies of William Moppin, deceased, Mary D. Price and John E. Price, her husband . . . Defendants.  
THE STATE OF MISSOURI, to the above named defendants,  
GREETING:

Now on this the 12th day of May, 1911, in vacation before the June Term, 1911, of the Circuit Court of Boone County, Missouri, come the plaintiffs herein, by their attorneys, and file their petition in suit herein, duly verified by the affidavit of Ralph T. Finley, agent and attorney for the plaintiffs, and in said petition state, among other things, that the interests of the defendants herein, so far as they know and are able to state, are derived from and made apparent by the following facts and defects in the record title to the real estate hereinafter described, to-wit: That one William Moppin acquired title to all of the real estate hereinafter described by deed from George Steepleton, dated March 1, 1826, duly acknowledged and of record in Book "B" at page 214 of the deed records of Boone County, Missouri, but there is no deed or other conveyance of record from the said William Moppin, nor from any other person or persons for him or claiming under him, unless it be a deed from William Maupin, dated April 30, 1827, recorded in Book "B" at page 211 of said deed records; that it does not appear of record whether the said William Maupin and the said William Moppin are one and the same person, by reason whereof the defendants, the unknown heirs, devisees, consorts and allies of said William Moppin appear of record to have an interest in said real estate, but plaintiffs aver that said names refer to one and the same person; that the defendants, Mary D. Price and John E. Price, her husband, are non-residents of the state of Missouri, so that the ordinary process of law cannot be served upon them in this state; that said William Moppin is now long since deceased, that said Mary D. Price is the sole and only devisee and heir of David H. Hickman, deceased, who formerly owned the land upon which McBaine's Addition to Columbia, Missouri, is located, and under whom plaintiffs claim title to the real estate hereinafter described; that the deeds passing title to said land from said David H. Hickman convey a strip of land only 675 feet in length and 349 feet in width, as shown by deeds recorded in book 34 at page 536 of said deed records and book 40 at page 324 of said deed records, whereas said addition is laid out and platted upon a strip 342 feet in width and 694 feet in length on the north line and 685.5 feet in length on the south line and three acres; that the grantees in said deeds passing title from said David H. Hickman went into possession of the entire strip so platted as aforesaid, and plaintiffs and their grantors have been in the undisputed and adverse possession of the real estate hereinafter described ever since the death of David H. Hickman, which occurred more than forty-one years ago; that by reason of said facts the records do not show that plaintiffs have title to all of the land as platted in said addition and upon which the respective lots of the plaintiffs are located; that plaintiffs verily believe that there are persons interested in, or who claim to be interested in, the subject matter of their petition as heirs, devisees, consorts and allies of William Moppin, deceased, whose names and places of residence are to the plaintiffs unknown, and whose names they cannot insert herein because unknown to them; that said unknown parties, derive, or claim to derive, their title or claim in and to plaintiffs' real estate hereinafter described, as heirs, devisees, consorts, allies, or immediate, mesne or remote, voluntary or involuntary grantees of said William Moppin, deceased, by virtue of the foregoing defect in the record title to said real estate with reference to the title of said William Moppin, deceased; and that plaintiffs have described the interests of all of said unknown defendants, and how derived, so far as their knowledge extends.

It is therefore ordered by the clerk of said court, in vacation, that all of the said defendants be notified by publication that the plaintiffs, by petition herein filed of date May 10th, 1911, have commenced against them an action at law and in equity, the immediate object and general nature of which is to enforce and establish a lawful right, claim and demand to and against certain real estate within the jurisdiction of this court, to-wit: an action to obtain a judgment of partition and order of sale of the following described real estate, lying, being and situate in the County of Boone and State of Missouri, to-wit: Eighty (80) acres, the South part of the Northeast quarter of Section Four (4), in Township Forty-eight (48), of Range Thirteen (13), being the same land described in the deed from Jefferson Garth and wife to John S. Barkwell recorded in Book 49, at page 197 of the deed records of Boone County, Missouri.

It is further ordered that said defendant be and appear in this court, on the first day of the next term thereof, to be holden at the Court House in the City of Columbia, Boone County, Missouri, on Monday, the 19th day of June, 1911, to answer or plead to said petition, or in default therein said petition will be taken and adjudged as confessed and judgment by default will be rendered against him.

It is further ordered that a copy hereof be duly published at least once a week for four weeks successively, in the University Missourian, a daily newspaper printed, published and circulated in said Boone County, and designated by plaintiffs' attorneys as most likely to give notice to said defendant; the last insertion to be at least fifteen days before said next term of said court.

A true copy from the record:

to state are derived from and made apparent by the following facts and defects in the record title to the real estate hereinafter described, to-wit: That Anthony W. Rollins, acquired title to said real estate hereinafter described by entry and patent from the United States of America about the year 1832, but there is no deed or other conveyance of record from the said Anthony W. Rollins nor from any other person or persons for him or claiming under him, for said real estate, by reason whereof the heirs, devisees, consorts and allies of said Anthony W. Rollins, deceased, appear of record to have an interest in said real estate; that said John Hudson, deceased, acquired his title to said real estate as appears of record Book 30, page 21 in the Office of the Recorder of Deeds within and for Boone County, Missouri, Warranty Deed from Ruebeck Hudson and Mary Hudson, his wife, dated August 7, 1838, but the records do not show what, if any, interest said Ruebeck Hudson and his wife Mary Hudson had in said real estate, and there is no deed or other conveyance of record from the said John Hudson nor from any other person or persons for him or claiming under him, but said deed is a cloud on plaintiffs' title, and the heirs, devisees, consorts and allies of said John Hudson, deceased, appear of record to have an interest in said real estate; that he acquired title to said real estate by warranty deed from John S. Denham and Meriah Denham, his wife, recorded in book 87, page 95 in the Recorder's office as aforesaid; that the said John S. Denham acquired his title to said real estate from one James Harris, Special Commissioner by virtue of an order of sale had in a partition suit wherein Virgil M. Harris, by his guardian and curator, W. S. Woods, Wm. J. Hendricks and Mattie Hendricks, his wife, and Jennie Harris are plaintiffs and John W. Harris Jr., infant, is defendant, in the Circuit Court of Boone County, Missouri, April Term, 1879, and Approval of Sale had in said cause at the April Term 1880; that he verily believes that there are persons interested in, or who claim to be interested in, the subject matter of his petition as heirs, devisees, consorts and allies of Anthony W. Rollins, deceased, and as heirs, devisees and consorts and allies of John Hudson, deceased, respectively, whose names and places of residence are to the plaintiff wholly unknown and whose names he cannot insert herein because unknown to him; that said unknown parties, derive, or claim to derive, their title or claim in and to plaintiffs' real estate as heirs, devisees, legatees, assignees, consorts, allies or immediate, mesne or remote, voluntary or involuntary grantees of said deceased persons respectively, as their respective ancestors or predecessors in title by virtue of the foregoing defects in the record title to plaintiffs' land; and that plaintiff states that he has described the interests of all of said unknown parties and how derived, so far as the same are known to him.

It is therefore ordered by the clerk of said court, in vacation, that the said defendants be notified by publication that the plaintiff, by petition herein filed, of date April 27th, 1911, has commenced against them an action at law and in equity, the immediate object and general nature of which is to enforce and establish a lawful right, claim and demand to and against certain real estate within the jurisdiction of this court, to-wit, an action to obtain a decree of this court declaring perfect and absolute the record title of this plaintiff, by limitation, in and to the following described real estate, lying, being and situate in the County of Boone, State of Missouri, to-wit: 10 acres, more or less, the Northeast quarter of the Southwest Quarter of Section Twenty-six (26) in Township Forty-nine (49), of Range No. Fourteen (14) West of the Fifth Principal Meridian.

It is further ordered that said defendants be and appear in this court, on the first day of the next term thereof, to be holden at the Court House, in the City of Columbia, Boone County, Missouri, on Monday the 19th day of June, 1911, to answer or plead to said petition, or in default therein said petition will be taken and adjudged as confessed and judgment by default will be rendered against them.

It is further ordered that a copy hereof be duly published at least once a week for four weeks successively in the University Missourian, a daily newspaper printed, published and circulated in said Boone County, and designated by plaintiffs' attorneys as most likely to give notice to said defendants; the last insertion to be at least thirty days before said next term of said court.
